I would find chapter 1 to be helpful in defining what are the teaching strategies. Please can you reply back with a summary of the chapter and any teh After a while, i realized that this was not a page about teaching strategies. Several strategies, including getting to know your students, setting up a classroom, and teaching for students rather than against them were discussed. I do not think that this is a good example of a teaching strategy because it is presented as a strategy. Teaching strategies are actions the teacher takes to help the students learn.
